Brothers of Delta Tau Delta  
Beta Lambda Chapter  
Lehigh University

Dear Brothers:

As many of you know, our brother, Scott Fedor, Class of 1998, suffered a severe spinal cord injury on July 3, 2009. In the intervening year, Scott has made tremendous progress on the road to recovery, but he is still without use of his arms and legs. As Scott's fight continues, he needs access to the very best medical care, physical therapy and state-of-the-art rehabilitative equipment.

To provide Scott with the financial help he needs, and as a follow-up to last year's very successful event, Delt alums will be hosting the Second Annual Scott Fedor Tailgate Benefit at Goodman Stadium prior to the Lehigh-Fordham football game on Saturday, October 9, 2010. The details for this event are provided on the enclosed flyer. All proceeds from this event will again be contributed to the *Scott Fedor Discretionary Assistance Trust*.

In addition, for those that cannot attend the October 9<sup>th</sup> event, but would like to contribute to the trust fund, or for those who will attend but would like to contribute more, a pledge form and related instructions have also been enclosed. We raised over \$13,000 in 2009, and it is our goal to exceed that number in 2010.

Please direct any questions you may have to my attention at 781-267-2225, or via email at [befecteau@verizon.net](mailto:befecteau@verizon.net). Thank you in advance for your support. I look forward to meeting or reconnecting with many of you on October 9<sup>th</sup>.

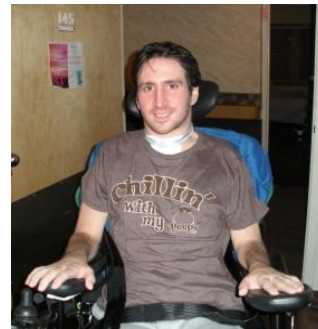

Fraternally yours,

Bryan Fecteau, Lehigh '98

**P.S.** I have enclosed correspondence from Scott for your review with an update on his condition and his description of how the money we raise will assist him. Scott is able to compose letters and emails using an iPad and voice recognition software donated to him by a group of his friends in Cleveland. I encourage you to visit his website [www.scottwefedor.com](http://www.scottwefedor.com). It is truly inspirational. Scott can also be reached via email at [sfedor408@aol.com](mailto:sfedor408@aol.com).

## THE SECOND ANNUAL SCOTT FEDOR TAILGATE BENEFIT

**SATURDAY, OCTOBER 9, 2010, 10:30 A.M.-12:30 P.M.**

Bryan Fecteau  
551 Webster Street  
Marshfield, Massachusetts 02050

Contributions can also be made via PayPal to [befecteau@verizon.net](mailto:befecteau@verizon.net)

September 2010

Dear Brother,

It's hard to believe almost a year has passed since you gathered at a Lehigh football game in order to help raise funds for my recovery, as a result of me suffering a severe spinal cord injury. Thanks to your extreme generosity I was able to help offset some of the staggering medical expenses I have incurred.

While this past year has been challenging for me, I am pleased to say that I've made a tremendous amount of progress. I am breathing completely on my own with no assistance; I will be having a surgery which will allow me to cough, and have my trache removed; I am standing just about every day in my standing machine. Although this may not sound like a big deal, it is to me, considering the fact that the doctors once told me I would never be able to breathe on my own or spend an extended amount of time out of bed.

I'm proud of how far I've come, but my journey is nowhere near complete. Now that I am healthy and stable all of my focus is on aggressive and intense physical therapy. One of the most important pieces of equipment I have been told by several therapists that will help me is a passive, motion bike. This will allow me to strenuously move my arms and legs, which will increase circulation, muscle mass, and can help with nerve regeneration. I am eager to hop on a bike. However, as is the case with most medical supplies, the system can be very costly. If you are interested in learning more about this bike, please visit <http://www.restorative-therapies.com/rt300-legarm>.

This year's fundraiser at the football game will be geared towards raising the needed funds to purchase this bike. It can cost up to \$20,000 with accessories. Those of you who know me, know that I hate asking for stuff. One thing this injury has taught me is that there's no room for pride. That is why once again I'm reaching out to the Delts Brotherhood and its generosity to help assist me in purchasing this needed piece of equipment.

The support you showed me last year was overwhelming and far greater than I expected. I was not completely surprised though, knowing what kind of character, compassion and kindness makes up a Delta Tau Delta Brother. I am proud to be among this elite group.

It is still a challenge for me to travel long distances, so it is difficult to commit that I will be there this year. I will certainly be there in spirit and will be thinking of all of you. I know you won't be shy having a beer for me; hopefully it won't be Canada's finest -- Black Label!

Thank you in advance for your prayers and support!

Fraternally Yours,

Scott
